

Hello! My name is Diana Villeneuve, formerly Diana Johnson. This past May I married Adam Villeneuve, who teaches world history at River Falls High School. I am involved in the school district as a substitute teacher and JV tennis coach. I work at the YMCA in town, and earned teaching degrees in health and physical education at UWRF, both of which will help me to be a better youth minister for the River Falls Ecumenical Youth Group. I look forward to creating a youth group that will allow both middle school and high school students to gather with other students their age to learn more about themselves, each other, and God, and have fun while doing it!

We plan on meeting from 6pm to 7pm on specified Sundays (check out the schedule for your age group), along with possible other opportunities to be involved in our community during the week. Be sure to introduce yourself to me, and ask any questions that you may have.

Parents and Congregation Members: Please keep your eyes open for sign-up sheets for opportunities to help out with snacks, transportation, or other activities. I'm looking forward to a great year!
